

MOVES NEWS SUMMER 2017

NEW Wheaton Studio | 2017-2018 Fall Schedule | **NEW** classes offered | 2017-2018 Faculty

Moves has decide to start its 20th year in Wheaton by building a dedicated studio...

IN WHEATON!

What does that mean?! That means we will have...

- 3, large, state of the art studios with the most advanced suspended dance floors
 - floor to ceiling mirrors
 - high end stereo systems
 - a high end kitchen
 - FREE coffee
 - plenty of parking
 - easy drop off
- ample seating for viewing your dancer

All inside a secure Central Wheaton Studio location! The list of all the great things Moves new studio will have to offer goes on & on and we can't wait to share it with you!

Most importantly, we get to give you what YOU'VE been asking for:

A schedule chalked full of classes for all levels with more studio time and space! Morning time young children's dance classes! A full **ACRO** program just like our North Aurora location!

An **ADULT fitness** and dance program to our schedule! Including but not limited to: Yoga, Barre Fushion, Cardio Weight training, Ballet, Hip Hop, Tap and MUCH MORE! Some of those morning fitness classes will run alongside young children's dance classes!

In house billing! This means no more confusion! All billing is done directly by Moves and will simplify your registration process! *This makes it SO much easier if you take classes at BOTH locations!!!*

We will have a convenient store front where you can buy your dance shoes & dancewear right in your own studio!

You will get to see the Moves owners on a regular basis!!

SAME GREAT FACULTY & even some talented, new faculty members!!

You get the full feel of our studio family just like our North Aurora location and we can't wait to get to know your dancer & your family better!!
