

MOVES DANCE STUDIO OFFERS BIRTHDAY PARTIES!

Your dance loving birthday girl/boy can pick the theme of their dance party & invite their friends to learn a dance choreographed just for them! It's 2 hours of non stop fun! Party guests will begin with a fun dance warm-up and learn an upbeat dance to be performed at the end. They will then break to make their theme inspired craft to take home with them, eat some pizza and/or treats and finish off with some more dancing and their fun showcase. Our moves faculty members are super talented, energetic & make the best party hosts! They are great at accommodating even the most beginner dance guests!
